Your key is **NOT** to be used by anyone else to access this gym. The Training Pit LLC is authorized to charge a fine of \$100 in the event that a member violates this security policy. Repeated violations of this policy will result in termination of your membership with the balance declared due and to be paid in full immediately.

---

b) Members are expected to treat the equipment with respect at all times (i.e. the dead lift bar is to be used for dead lifts and other pulling movements: never squat, bench, or rack pulls). We have taken great care and pride in providing a unique training facility with several custom pieces. The turf area is not to be used for weight training (i.e. no slamming weights on it). Failure to comply will result in suspension from the facility for up to a week. Members will have a 3 strike policy for weight room rules resulting in termination of membership.

---

c) Members are expected to clean up after themselves by re-racking their weights and wiping down the equipment they have used. For your convenience, there are pre-sanitized wipes available throughout the gym that you may use to wipe down the equipment.

---

d) As a courtesy of other members, please return all equipment to its rightful place after you have completed your workout.

---

### **5. Reserve right to refuse or cancel membership.**

The Training Pit LLC is a private club and reserves its right to refuse and/or cancel any membership.
